

ENVIRONMENTAL UPDATE FROM OUR OPERATIONS MANAGER

Kia Toitu te Taiao o Haua Ngāti Hauā Kaitiaki a Rohe

Ngā mihi o te wa kirihimete ki a koutou e te whānau. Wow, what a year for Ngāti Hauā!

This year has truly been an amazing year for the whole of Ngāti Hauā – young and old and those still to be born.

Since the signing of the Deed of Settlement on 18 July 2013, the environment sector has really exploded for Ngāti Hauā as the Ngāti Hauā Iwi Trust now manages environmental affairs and resource consent matters on behalf of the iwi.

The approach we have taken has been to adopt a kaitiaki a rohe approach which sees each of the Ngāti Hauā marae play an active role in the handling of environmental matters within their exclusive rohe. Each marae has elected a kaitiaki a rohe who is responsible for liaising on any environmental issues within their exclusive rohe.

I oversee and facilitate the overall process.

Thankfully all our marae have elected their kaitiaki a rohe representatives to support the mahi that needs to be done in this area.

We look forward to working with the team over the next few years as Ngāti Hauā become more engaged and responsible for taking control of our environmental future.

There is much to be done.

Over the last three months the Trust has been busy establishing key relationships with each of the district councils that operate in our tribal area. These include Matamata Piako, Waikato, Waipa, Environment Waikato and Hamilton City.

The response from each of the councils has been nothing short of fantastic and bodes well for an excellent and sustainable environmental future for us all.

In 2014 we are looking forward to properly engaging our kaitiaki-a-rohe in environment mahi, cementing our current relationships and building new ones as we aim to progress Ngāti Hauā to a safe and sustainable environmental future.

On behalf of the Kaitiaki a Rohe and myself we wish our whānau a safe and enjoyable Christmas and New Year.

Ma te Atua koutou, tatou e whakapai i roto i tēnei wahanga o te tau. Kia ora te tū, kia ora te noho, a, kia ora te whānau.

Ngāti Hauā and Ngāti Koroki-Kahukura celebrate at the first reading of their respective Treaty settlement bills at Parliament

Message from the Tumuaki

Ka nui te mihi atu ki a koutou ngā uri o Hauā. It is with great pleasure that I take this opportunity to address you all.

This year has been an amazing year for Ngāti Hauā, from signing our Deed of Settlement with the Crown on July 18 to having our tupuna Wiremu Tamehana acknowledged as one of the 10 most prominent New Zealanders of all time.

Next year is likely to be a great year for us as well as legislation finalising our Treaty settlement looks to complete its passage through Parliament and our plans to develop and achieve wellbeing for Ngāti Hauā get underway.

I want to take this opportunity to thank the Trust for the tireless work it has done to negotiate the settlement. I also want to thank our people who took part in the ratification process by having their say through the casting of a vote and simply getting up to share their views at the numerous hui we've had this year. With Christmas and the festive season approaching, I wish all our people a safe and happy holiday. May you all get the time to cherish your tamariki and mokopuna. Mā te Atua koutou e manaaki, e tiaki.

Mokoro says it is strengthening tribal identity that motivates him in his work with the Trust.
