Ngāti Hauā Iwi Trust

Tena koutou katoa e nga uri o Ngāti Hauā. Welcome to our newsletter for September 2015. This issue provides updates on the Te Kauwhanganui Relationship Agreement, korero about a recent trip to Rarotonga by the Tumuaki and other Ngāti Hauā kaumatua and gives you all the details you need to know about our 2015 AGM. There is also an interesting article about the 30 year strong Ngāti Hauā tradition of providing the butter and sugar to every Koroneihana. He whakaaro rangatira!

Haerenga ki Rarotonga 2015

Sonny and Te Raumako Karena were part of a Tainui delegation that travelled to Rarotonga at the end of July 2015 to support the 25th Coronation Jubilee of Paa Ariki, the queen of the Takitimu district in Rarotonga.

Anei ta raua korero e pa ana ki te haerenga!

The Tainui delegation included the Kingitanga through Te Ariki Tamaroa Whatumoana Paki who represented his father King Tuheitia, the Tumuakitanga, Tukoroirangi Morgan, kaumatua and tribal members. Tainui had a significant presence in acknowledgement of

the relationship with Paa Ariki that started during Princess Te Puea's time and continued on with Te Atairangikaahu, and is firmly entrenched within the Kingitanga today. The kings' flag was raised and lowered at Paa Ariki's Palace for the duration of Whatumoana's official stay of eleven days. Ki te kawhe te whakaahua a Te Atairangikaahu ki te Whare Tupuna Te Puna o Whatu Moana Palace a Paa Ariki me te hiki te tohu o Kiingi Tuheitia a manawa ki reira. Ia ra ia ra ka hiki te kara.

'The main reason for the trip was to solidify the bonds of Maori and Takitimu' — Tukoroirangi Morgan

The first kaumatua delegation arrived in Rarotonga on 25th July 2015 and met Te Ariki Tamaroa Whatumoana Paki and Tukoroirangi Morgan at the airport the next day. The 50th anniversary of Cook Islands Independence was celebrated on 27th July 2015. The Tumuaki delegation then arrived on 29th July.

On 4th August, the 25th Coronation of Paa Tepaeru Te Ariki Upokotini Marie Ariki was celebrated, she ascended to the leadership of the Takitimu people of Rarotonga on this date and the occasion was marked with a unique commemoration held at the foot of the ruins of her great grand aunt's palace. Paa Ariki succeeded the throne after the death of her mother the late Paa Terito Davis Ariki in 1990.

Highlights of the trip were the celebrations every night with Te Ariki Tamaroa Whatumoana in the auditorium, bumping into cousin Ruth Pene and her mokos who looked after us during our stay — ka mihi atu tuahine and attending a special lunch function and entertainment with Hine Thompson's cousin who is of the Rarotongan Ariki line.

Ngati Haua, the Department of Internal Affairs (Archives and National Library functions) and the Museum of New Zealand Te Papa Tongarewa Board have also entered into a relationship agreement with respect to the restoration and protection of Te Kauwhanganui o Mahuta. Nga Pitopito Korero — Te kaupapa o nga kai koha mo te Koroneihana — na Te Ao Marama Maaka

Tuatahi whakahonoretia te Atua

Ka mihi hoki ki te Kingi Maori a Tuheitia me te Makau Ariki a Atawhai me to raua whanau tae atu ki te Whare Kahui Ariki.

Nga tini mate kua hinga ki tena marae, ki tena marae haere, haere atu ra moe ma i roto ite ao wairua

Tena hoki tatou katoa

Koroneihana has come and gone for another year — this being the 9th Koroneihana for King Tuheitia.

I was asked to give an explanation on how and when the kaupapa of Ngati Haua contribution of butter and sugar to the Koroneihana began. In the early 1980's at a Hui-a-iwi held at Rukumoana Marae it was unanimously agreed upon that Ngati Haua would donate butter and sugar. The kaumatua were aware of what the other hapu, iwi were donating so in their wisdom, they came to the decision of butter and sugar.

I remember vividly Auntie Viola Puru putting forward that each household donate one packet of sugar and two butter, this was seconded by Zena Walker. I whakamana te huihuinga.

It was also agreed that my late husband Werewere would be responsible for the collection of the koha kai and from there drop off points were selected.

In Waharoa the drop off was at the home of Auntie Rau Tuhakaraina, in Tauwhare at Uncle Rubel's and in Morrinsville at my whare and also Zena Walker's. We now have other drop off points.

Also at that hui a motion was moved that Mick Rakatau collect all the whanau rarangi ingoa, but unfortunately this idea was not very successful as the different marae had their own system so it reverted back to the marae to be responsible — as it is to this day.

At this time the Chairman of the Ngati Haua Tribal Trust informed the hui that a beast will also be donated annually. Since the passing of my husband I have been responsible for coordinating the collection and delivery of the butter and sugar and I acknowledge all the help I

have received but in particular **Jasmine Turnbull (Chugga) and Vince Te Uira**. They have consistently been available for the past 10-12 years. I take this opportunity to acknowledge and thank **Rukumoana Kohanga** for the use of their van and **Te Hauora o Ngati Haua** for the sponsorship of petrol vouchers.

The collection this year was awesome and the Koroneihana Committee was very impressed and gratefully thanked Ngati Haua.

Tenei te mihi ki a koutou katoa

Ma tou rourou, Ma taku rourou ka ora ai tatou katoa
